Children's Mission Project

\$2,500 toward Papyrus Units

Our District Children's Project this year are Hand Held Papyrus Units which are solar audio devices. These hand held units are distributed across West Africa in order to aid Biblical training and discipleship in areas where there is a high rate of illiteracy. The audio Bible gives the chance to people in remote areas to hear the Word of God in their own language which they understand best. It is a powerful way to bring new people to Christ as well as to help them grow in their faith. The auto units can be used both for hearing the Word of God and for teaching resources for pastors, teachers and students. Funds should be marked Africa West Field Specials - AFS 1161 Papyrus Units for West Africa.

World Mission Broadcast

Those who attended one of the zone rallies this spring heard the story of a person whose life was changed by listening to radio programs. Through the radio came the gospel message and access to a Bible. Further learning from the resources available resulted in a changed life now focused on helping others meet the same life changing Savior.

World Mission Broadcast (WMB) and Nazarene Missions International (NMI) have a long history of partnership and the annual offering for WMB remains as one of the offerings NMI officially supports. The offering provides resources that reach millions of people around the world with the Gospel.

While traditionally received in June, an awareness emphasis and offering for WMB can be done anytime during the year, ideally where it fits best within your church's calendar. The offering provides funding for Nazarene radio, television, and Internet program production, airtime, and follow-up strategies.

The current World Mission Broadcast ministry statistics are:

34 Languages
72 Countries
140 Programs

The offering received in local Nazarene churches is the life-blood of the WMB ministry. Because of it, Nazarene programs are able to stay on the air and tell the world about Jesus.

Get Involved With LINKS

- Write your LINKS missionaries and assure them of your prayers, asking for personal requests.
- Send remembrances for special days like birthdays, anniversaries, and holidays. Remember, surface mail takes quite a while to arrive in some locations, so plan accordingly.
- Children and youth find it especially meaningful to become personally acquainted with a missionary or a missionary's child. Encourage young people to send cards, small gifts, pictures, videos, and audio materials to your church's LINKS missionaries.
- Check the Unofficial LINKS Lists. Have your LINKS missionaries posted specific needs for their field with which you can help?
- See if your LINKS missionary can use Skype or Facetime and have a church chat.

Milton Gay
Olga Novoa

Responsibilities: Milton is the current coordinator and president of NYI for the region, overseeing 5 fields, 32 countries, and 86,000 youth. Olga is the logistics coordinator for the Nazarene Seminary in Guatemala and is involved in the North Central field NMI.

Get to know Milton & Olga: Since receiving Jesus Christ as their Savior, Milton & Olga have felt a call to preach His Word. Milton was called to be a Pastor when he had only been a Christian for 3 years. Olga has always been by his side in every stage of his Christian life. The next step was to be a District Superintendent in El Salvador West where Milton and Olga planted 5 new churches in 5 years. Twelve years ago God called them to be global missionaries. At first Olga didn't agree with the call. However God, through prayer, helped her to make this important decision of accepting to serve the Lord through missions.

Milton and Olga have two children. Their daughter, Alejandra is studing to be a Medicine Doctor and would like to serve in South Korea. Their son, Milton Gerardo, is studying Communications and has a call to pastoral service.

Milton is currently a candidate for Ministry Doctor from NTS in Kansas City and hopes to graduate next year. Olga has a Youth Pastoral Diploma and is continuing to study.

Prayer requests: Strength and security in the dangerous countries; For God to take care for their children; That God allows them to keep preaching His word and preparing youth to serve Him.

932 W Locust Lane
Nampa, Idaho 83686

Phone: +1-208-466-6599**Birthday:** 6/13**Skype:** by appointment

Responsibilities: Heidi has had many ministerial roles over the past 14 years. Currently, through her assignment to the Eurasia Regional Office, she provides regional NMI coordination and facilitates all annual statistical reports for the region. The past year has seen a lot of changes for her office and the Spirit is building a new team.

Get to know Heidi: She has previously served both the World Mission Department and the Africa Regional Office. She enjoys using her musical gifts in her local church and community. Being a life long learner, she turned in her last assignment for a Masters in Intercultural Studies in March.

In addition to playing music, Heidi enjoys listening to a wide variety including Christian, classical, orchestral, big band, and other forms of instrumental jazz. She enjoys walking, hiking, and bicycling for fun, watching soccer, baseball, and basketball games. Her favorite foods are Swiss chocolate, Reese's candies, Mexican, Italian, and BBQ.

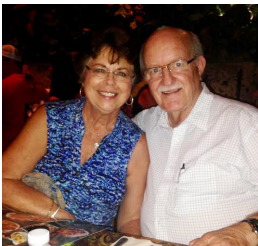

Prayer requests: For the NMI district presidents and leaders in Eurasia. There are several passionate and emerging leaders who are leading their districts in participating in God's mission. Pray that they will be encouraged, experience the fruits of their service, and sense the Holy Spirit's clear leading as they encourage others to participate in God's mission in all the nations. Pray for Heidi as she seeks to serve them and the local churches. In her greetings to our convention Heidi identified a praise for the organization of NMI in a district that had not previously had an NMI.

Pray that the churches will respond to God's call to be used by and for him in his service.

Pray for a new program called M-Power that has been started which gives individuals from Eurasia the opportunity to volunteer in cross-cultural ministry.

Pray for Heidi and the Syrian refugee mother of three that she is tutoring in German. She looks forward to the day when the mother can ask Heidi why she is helping them so she can explain her relationship with Jesus and His Father.

Child Sponsorship

Nazarene Compassionate Ministries' child sponsorship program focuses on holistic child development, encouraging children to grow in all areas of their lives: physical, intellectual, emotional, relational, and spiritual. At \$30/month child sponsorship gives children the opportunity to:

- Grow up healthy. Sponsored children receive supplemental nutrition, hygiene education, and preventative health care.
- Receive an education. A child's sponsorship assists with school fees, uniforms, books, supplies, and even transportation. Education gives a child opportunities for a brighter future.
- Gain confidence and social skills. Sponsored children gain confidence as they learn that they are capable and as they learn how to interact with others in a healthy way—equipping children to be agents of change in their communities.
- Develop spiritually. Sponsored children experience Christ-like love through the staff and volunteers at child development centers, and they have the opportunity to learn from the Bible and pray together.
- Build a relationship with a sponsor. Through letters, cards, and photos, sponsored children receive love, encouragement, and support from caring sponsors. This relationship gives children a sense of their value and hope for the future.

To sponsor a child go to: <http://cs.ncm.org/ChildSponsorship> or contact John Karg (see NMI-10).
