Responsibilities:

Brenda did many things on the field, some were her responsibility and others were simply necessary. She has been a teacher, treasurer, director, trainer, translator, and after retiring, a chaplain. She has always taken on what God needed.

Get to Know Brenda:

Brenda does not remember a time when she didn't want to be a missionary. A couple months after her 13th birthday, she accepted Christ as her personal Savior. A call to serve is a call to prepare, so after high school she attended Trevecca Nazarene College where she studied to be an elementary teacher, skills she used teaching at Groveport Elementary School. She studied at NTS completing her Masters in Religious Education.

Her first missionary assignment was to Haiti. While the language was Creole, the teaching and textbooks were in French requiring a couple years of language training. After Brenda's first furlough, she had an opportunity to be part of the first team into Martinique. After a couple tours in Martinique, she returned home to care for her father. After God took that responsibility from her, He opened a door for her in Cote d'Ivoire, West Africa. She remained there until her retirement.

Brenda's primary hobbies are reading and traveling when possible.

Prayer Requests:

- The salvation of her relatives and ministering to those who need to know Christ.
- Her health and God helping her to show His love to others
- That with God's help, she will not miss an opportunity to share the gospel with those around her.
