South Central Ohio NYI Refund Policy

The South Central Ohio NYI Council has set the following guidelines for refunds on all events that require a fee for participation. Unless further action is taken by the South Central Ohio NYI Council on any given event, the policy shall be that the fees paid for a NYI sponsored event are non-refundable and non-transferable with the following exceptions:

- Since any event that requires overnight stays dictates separate sleeping arrangements of male and female students, transfer of registration fees between students of the same sex will be permissible. Transfer of fees between students of the opposite sex **are not** permissible.
- A transfer of registration fees between persons of the same sex does not eliminate a person from the obligation to pay a late fee. The transfer must be made before the date that the late registration fee goes into effect.
- **Non-attendance post registration (where the student may decide to not attend an event, however last minute) will be subject to 50% of cost of the event. This includes if a student has only paid the deposit for the event, and they will have to pay the remainder of the 50% for the event.**
